# LIVE UNITED

**LIVE UNITED** is about the power of unity—coming together to raise the hopes of our community for tomorrow.

- When one reaches out to help another, the whole community is the beneficiary.
- When individuals share their thoughts in common purpose with others they become a force for change.

## LIVE UNITED

For more than 75 years your United Way has been serving local residents through Community Care with specific programs to help young people, to strengthen families, to support older adults, and to respond to emergencies.

These days your United Way is also playing a major role as a partner with other community organizations in addressing a wide range of community issues, including Aging Futures, Born Learning, Earned Income Tax Credit, and others. United Way also has been asked to expand the role of its First Call for Help operation, which currently responds to more than 25,000 calls annually from residents seeking help. It would become part of the 2-1-1 system.

## How you can help

You can help by volunteering your services, as well as by making a donation to the Annual Campaign. When you make a contribution to United Way:

- Your gift supports programs that achieve results in your community.
- More than 90 percent of your gift stays here to benefit local citizens.
- Local volunteers choose where money contributed to Community Care goes to best serve the residents of Broome County.

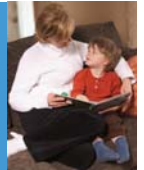

## Why support United Way?

- Because your dollars could be combined with others to bring hope to a troubled marriage or solace to a pregnant teen.
- Because each donation lends strength to all the helping services we fund in our community.
- Because one gift blended with other gifts makes for a healthier, happier Broome County
- Because when we as a community are united in our giving, the power of our gifts is enhanced ten fold.
- When you fill out a pledge card it is far more than simply donating money to a campaign, it demonstrates that you care enough about the other residents of our community to offer them hope if and when the need arises.

**Our goal is to create long-lasting changes that prevent problems from happening in the first place.**

## Make a donation

You can make a donation to United Way several different ways:
