(Binghamton, NY)— The officers of United Way of Broome County for the current year began their duties this morning [Wednesday, March 17] at the close of the United Way Annual Meeting, which was held at the Binghamton Ramada Hotel and Conference Center (formerly the Binghamton Regency Hotel).

The officers for 2010-11 are:

- President, **Mary Ann Wilcox**, a community volunteer
- Vice President, **Jim Silkworth**, chief human resources officer, Lourdes Hospital
- Vice President, **Allen Buyck**, superintendent, Broome-Tioga BOCES
- Secretary, **John Leet**, general manager, WICZ Fox 40
- Treasurer, **Ed Parsons**, assistant vice president, M&T Bank
- Assistant Treasurer, **Doris Getty**, a community volunteer

All of the officers were elected for one-year terms by United Way of Broome County's Board of Directors at its regular meeting in December. All of the new officers served in the same positions during 2009-10, which is unusual.
