

UNITED WAY OF BROOME COUNTY

Agency Name: The Salvation Army – Binghamton Corps

Program Name: Youth and Adult Services

Program Success Story:

Howard was released from jail in October 2009. We assisted him in finding housing and setting up an apartment. He became involved in the men's club because of our assistance and now has not missed a meeting and is allowed by his probation officer to take part in all the activities because of his improvement and obvious commitment to get his life back on track. He has just recently become an officer in the men's club and is highly thought of.
