United Way of Broome County is committed to strengthening the capacity of local nonprofits to address the ever-evolving challenges and opportunities facing our community. To this end, United Way of Broome County has established the Capacity Building Grant Program as a means to provide financial resources, either individually or in concert with other funders, to strengthen the ability of community partners to effectively and efficiently respond to these challenges and opportunities. The Capacity Building Grant Program provides funding to support and strengthen local not-for-profit agencies through capacity building and capital projects.

Eligible organizations must align with one or more of the following:

- **Strategic Priorities:**
  1. Health
  2. Education
  3. Financial Stability
- **A Foundation for a Quality Life: Basic Needs**
- **Collective Impact Initiative: Healthy Lifestyles Coalition (HLC)**

This grant opportunity will support two main activities; Capacity Building Projects that must improve the governance, management, or program service capacity of the organization in one or more ways, or Capital Projects.
