### United Way of Broome County's Annual Day of Caring Event

**WHAT:** Day of Caring 2020 is planned to be officially celebrated on Friday, September 11, and Saturday, September 12, where area volunteers will be deployed all across Broome County to take part in impactful volunteer projects. Due to the COVID-19 global pandemic, United Way of Broome County is taking a new approach on Day of Caring 2020 to ensure the health and safety of our volunteers and project participants and also have a significant impact. Day of Caring volunteer projects, taking place outdoors or in small groups, will be providing the support needed to accomplish projects that many non-profit organizations do not have the resources to complete without help. These local, civic-minded volunteers and volunteer groups from area businesses are looking to share their time and talents to help local organizations. **Over 500 volunteers** from area businesses and organizations are participating in **more than 50 volunteer projects** at local charitable and not-for-profit organizations across Broome County. The Day of Caring has been a local tradition since 2002 and was originally conceived as a remembrance to those who lost their lives during the terrorist attack on September 11, 2001, and to honor the many local heroes that evolved from the aftermath of that day.

**WHO:** Local business representatives  
non-profit agencies across Broome County
