United Way of Broome County's Annual Day of Caring Event

WHAT:

Day of Caring 2022 is planned to be officially celebrated on Friday, September 9, and Saturday, September 10, where area volunteers will be deployed all across Broome County to take part in impactful volunteer projects. Day of Caring volunteer projects will be providing the support needed to accomplish projects that many non-profit organizations do not have the resources to complete without help. These local, civic-minded volunteers and volunteer groups from area businesses are looking to share their time and talents to help local organizations. **Over 500 volunteers** from area businesses and organizations are participating in **more than 40 volunteer projects** at local charitable and not-for-profit organizations across Broome County. The Day of Caring has been a local tradition since 2002 and was originally conceived as a remembrance to those who lost their lives during the terrorist attack on September 11, 2001, and to honor the many local heroes that evolved from the aftermath of that day.

WHO:

Local business representatives
non-profit agencies across Broome County

###

United Way of Broome County unites donors, volunteers and community organizations in a common mission to drive change that will have a positive impact on the critical needs of our community by strategically leveraging the collective resources of community partners. Our focus is on Basic Needs, Health, Education, and Financial Stability. These are the building blocks for a good life and the cornerstones of a strong community. By combining contributions from individuals and organizations, United Way generates a larger pool of dollars and expertise to tackle the issues that matter most, to help those who need it the most, in ways that achieve the greatest impact. Our work is personal enough to change lives and powerful enough to improve conditions across the community we serve. United Way invites people to come together, LIVE UNITED and create the change we want to see.
