United Way of Broome County Announces Strategic Priorities Grant Program Recipients

United Way of Broome County is pleased to announce the 2018-2019 Strategic Priorities Grant Program recipients. Over \$1,500,000 in funds, raised through the 2017-2018 Community Campaign, were approved by community volunteers to assist 32 local non-profit organizations with addressing our community's strategic priorities.

The Strategic Priorities Grant Program is one of the United Way of Broome County's Community Investment programs that aims to mobilize the caring power of our community by bringing together organizations, people, and resources to focus on critical issues with the goal of making progress through collaborative, coordinated efforts. Together, we work to identify solutions to our community's strategic priorities that address core issues in the areas of health, education and financial stability. United Way of Broome County is taking action on what Broome County residents feel is most important by focusing its funding cycles on three Strategic Priorities:

Strategic Priorities

- Families are empowered and economically stable
- Youth are prepared to live, learn, work and contribute
- Seniors are healthy and safe

United Way of Broome County also provides funding to programs that help people overcome life's challenges and meet their basic needs so they are prepared to take advantage of all the resources that allow them to build a better life.
